I am a responsible, reliable, initiative, and hard-working developer looking for new opportunities in Front End. I enjoy seeing the tangible results of my work and always do my best to achieve the goal. A positive and proactive person, like working in a team. Eager to develop my skills. I have good knowledge of HTML/CSS/JavaScript/React stack. Highly motivated developer with a keen interest in all things related to Front-End development. Knows how to create the design and modify web content. Well organized and capable to adapt to working as part of a development team. I am a highly motivated Front-End developer. I would like to join a team to be useful to achieve goals and I would like to grow up with professionals.
